

***We Were There. We Saw It Happen.***

**Little Beaver Historical Society**  
**Stories for History**  
*A Community Gathering*

The Little Beaver Historical Society is hosting a public event to capture, preserve and share first-hand accounts and memories of the train derailment and its aftermath, including the so-called “controlled burn off” of several chemical tank cars.

7pm - 9pm

**April 11, 2023**

**New Galilee Event Center**

For more information about this event and to learn how you can share your story with the museum, visit the LBHS website.
